Distribute minutes of a meeting.”

The purpose of the meeting is to take action on Board Certifications and Construction Projects as mandated by law. In light of this, I'll entertain a *MOTION* with respect to this Emergency Electronic Meeting.

PRESENTATIONS

Superintendent Colonel Larry Leabough, Riverside Regional Jail, requested consideration of release from probation noting that his facility has had numerous inspections and audits with 100% findings. He added

that there have been procedural changes to correct violations and complaints have slowed greatly. Probationary certification affects his housing options.

Superintendent Bobby Russell also asked for probation removal as the probation for Western Virginia Regional Jail (WVRJ) was for one year effective September 2019. The facility's counsel, Mr. Gwen, added that WVRJ had received multiple 100% compliance audits and inspections and had utilized the Emergency room facilities at a nearby medical center liberally and had provided documentation to the Board to support their actions.

The Board members began a discussion regarding a time limit that would expire without action and would lift the probation or if action by the Board was necessary. It was determined that this would be addressed in the wording of the notification of probation communication. During this discussion it was decided that existing probation that can expire without action will time out, or expire without action.

I MOVE that the probationary period assigned by the Board will end upon completion of time as specified by the Board.

Motion read by made by Mr. Vassar and Seconded by Mr. Jett.
